

Pursuant to Article 4.8 of the Law on Transmission of Electric Power, Regulator and System Operator in Bosnia and Herzegovina ("Official Gazette of BiH", number 7/02), Articles 6 and 7 of the Rule on Tariff Proceedings ("Official Gazette of BiH", number 44/05), deciding upon the application of "Elektroprenos Bosne i Hercegovine" Stock Company Banja Luka (the Company for Transmission of Electricity in BiH – TRANSCO), number: 01-4454/09 of December 18, 2009, at its session held on April 27, 2010 the State Electricity Regulatory Commission issued

### **DECISION**

1. It is determined that the annual revenue requirement of the Company for Transmission of Electricity in BiH for 2010 shall amount to 123,548,981 KM and the tariff for electricity transmission services (transmission fee) shall be as follows:
  - The average transmission fee shall amount to 0.870 pf/kWh and apply to declared export, and it shall be paid by holders of the license for international trade in electricity,
  - Part of the transmission fee pertaining to energy shall amount to 0.566 pf/kWh and apply to the customers in Bosnia and Herzegovina who take over electricity from the transmission network,
  - Part of the transmission fee pertaining to capacity shall amount to amount 1.478 KM/kW and apply to the customers in Bosnia and Herzegovina who take over electricity from the transmission network.
2. The Independent System Operator in Bosnia and Herzegovina (ISO BiH) is ordered to prepare upon the expiry of each calendar month a report on volumes of declared export with the related values for each license holder in the power sector, based on which the Company for Transmission of Electricity in BiH shall bill the services in accordance with the tariff from sub-paragraph 1 of the previous Point.
3. In cooperation with license holders for electricity distribution and eligible customers, upon the expiry of each calendar month ISO BiH and TRANSCO shall be obligated to prepare the report on the volumes of energy and peak loads at all points of take-over. The fees for energy and capacity shall be billed on the basis of this report signed by both sides.
4. The regulatory authorities for electricity in the Federation of Bosnia and Herzegovina and the Republika Srpska, as well as the competent authority of Brčko District, shall use the tariff set by this Decision when setting end-customer tariffs in accordance with the structure of tariff elements for specific consumption categories.
5. This Decision shall enter into force on the day of its issuance, and it shall be applied as of May 1, 2010 and published in the "Official Gazette of BiH" and the official gazettes of the entities and Brčko District of Bosnia and Herzegovina.

The Decision with Rationale shall be submitted to the applicant and interveners in the tariff proceedings and published on the SERC web-site no later than 30 days after its issuance.
